

THE RED ROSE OF HOUSTON

President's Letter

The Houston Chapter #3 is excited to begin a new year. After a truly fantastic year of leadership by Jody Richwine, I feel prepared and eager to get another year under way.

We recently prepared our chapter's strategic plan and outlined our goals with an action plan for each, and the entire board is ready to get started. To kick off the year we are hosting our NAWIC 101 and membership drive at the October meeting and look forward to educating members and guests about the many benefits NAWIC has to offer. In addition, each committee chair will address the membership to inform them about the duties and commitment involved with their committee and will accept sign ups at that time.

This year our chapter will also be hosting Forum on April 13th & 14th at the Sheraton Brookhollow. Houston is honored and privileged to have the opportunity to host this event and we encourage everyone to attend the workshops, general session and stay to enjoy the Hollywood: Night at the Oscars gala.

When we are not planning Forum, the Houston Chapter will be taking part in 4 community service projects, working to double our memberships, educating our members, gaining more public exposure and mentoring other woman in the construction industry. Houston is committed to the core values as set by our National office: "Enhancing the success of women in the construction industry."

NAWIC Houston Installs 2011-2012 Officers

Our special September Officers Installation meeting welcomed and highlighted the Houston Chapter's new leadership. A portion of the meeting also honored those members who generously served and lead our membership in the prior year.

Great appreciation to Jody Richwine for her tireless service to the Chapter as our President.

When you meet her, please let Lisa know how excited we are that she has joined such a great organization of the Houston Chapter #3 of the National Association of Women in Construction.

Fellow NAWIC ladies, let's remember that with new members comes new ideas, new energy, and new creativity. It is up to each of us to recruit new members so that our Chapter will become stronger and more visible. At any opportunity, invite other ladies to attend our business meetings and explain the advantages to becoming a NAWIC member.

MEMBERSHIP DRIVE!!

Ladies, it has been decided to hold TWO contests to encourage our members to 1) bring at least one guest to each general meeting and 2) recruit new members for our Chapter during the 2011-2012 term.

First, we will award a prize to the member that brings the most guests to the October 2011 through February 2012 general meetings. The prize will be given at the March 2012 Industry Appreciation dinner.

Second, we will also award a separate prize to the member that recruits the most new members during the present term of 10/1/2011 through 9/30/11. This prize will be given at the October 2012 meeting.

The Board of Directors has not made a final decision as to what the prizes will be, but do not let that stop you from getting started and targeting ladies in the construction and/or construction-related industries to invite to our monthly dinner meetings. Our goal Houston Chapter #3 is 75 new members.

GOOD LUCK TO ALL!!!
